## Our recent activities and workshops

### Expert Committee meeting

In May 2024 the first DSMZ Digital Diversity Expert Committee meeting took place at the DSMZ. Eight renowned international scientists visited our institute to learn about and evaluate our work. You can find the presented report including KPIs here:

### DSMZ Digital Diversity (D3) Workshop

Under the title “*How to efficiently access the data of BacDive, BRENDA, LPSN, SILVA and more*” we performed our first workshop as D3, welcoming more than 100 participants.

**“The enthusiasm for your work was very clear and infectious”**

**“General overview of the DSMZ tools - expectations more than met! Great workshop”**
