

Name: Dr. Leonid Kostrykin
Based in: Heidelberg University, Heidelberg
PI: PD Dr. Karl Rohr
Function: ELIXIR Officer of Human Bioinformatics Services
Topic: Automated Image Analysis Methods & Software Development

Activities in ELIXIR

Platforms

- Tools Platform

Communities

- Galaxy

Focus Groups

- Machine Learning Focus Group

Participation in ELIXIR Service Provision

- Galaxy Image Analysis
- Bioconda

Current Tasks

Platform Tasks

- Support to drive new developments in Tools Platform
- Development, deployment and maintenance of new Galaxy tools and Bioconda packages

Implementation Studies

Participation in EU Projects

Collaboration with others

- Collaborative Research Center 1129
